If you are considering an MBA but are also looking at other programs, below is a list of 10 items that will help you to understand why an MBA degree program is a fantastic degree to pursue.

Top Ten Reasons to Earn an MBA:

- **Brighter Job Prospects.** Most national surveys predict a huge demand for MBA graduates in the next few years as the global marketplace becomes increasingly interconnected. With such growth, MBA graduates will have professional opportunities and access to many MBA jobs that they may not have had prior to completing the degree.
- **The MBA Salary.** With an MBA, you will advance your salary greatly in your current MBA job or apply for a new job in the field that will offer a more competitive salary.
- **Variety of MBA Jobs.** The MBA degree program is just as applicable to those who are looking to manage their own small business as it is to those who want to work for a large firm in an analyst capacity. In many senses, the applications are limitless therefore, the job descriptions range dramatically and give students a great deal of flexibility.
- **Internships.** As an MBA student, it is likely that you will be presented with internship opportunities. These experiences exceptional learning opportunities and they are wonderful ways to meet people in the industry who can help you in your future job search.
- **MBA Reputation.** The MBA is widely noted as one of the best graduate degrees you can get. According to one source, employers see the qualification, allied to relevant experience and proven organizational achievements, as indicating flexibility, the ability to welcome change, creativity, self-motivation, personal effectiveness, and a range of other qualities needed in fluid organizational environments.
- **Alumni.** Access to alumni of the MBA program you choose will serve as a phenomenal source when it comes to job searching and information gathering on your career.
- **Student Activities.** Business students take part in a wide range of student and professional activities while they are in the program.
- **Enhanced Performance.** The skills you learn from your business courses will improve your performance in many areas of your life.
- **Solid Foundations** - The MBA provides a solid foundation. If you are
